Dear Ms. Canon:

This letter is in response to our telephone conversation of September 21, 1987 in which we discussed the procedure for obtaining copies of specific reports from the OSHA files. We would like to receive copies of the inspection reports (OSHA Reports #1) and the citations issued to both Comdaco, Inc. and the Gibson Homans Company. This information is crucial to the investigative work we are presently performing for the EPA.

We appreciate your assistance in this matter.

Sincerely,

  
Octavio R.C. Silva  
E&E/FIT Engineer
